

Rutgers Discovery Informatics Institute  
and the Department of Computer Science

PRESENT

# DATA SCIENCE PRACTITIONER ROUNDTABLE

March 27, 2018

1:30 p.m.—2:30 p.m.

Tillett Hall, Room 242, Livingston Campus  
(50 Joyce Kilmer Ave, Piscataway Township)

Join us for an exciting and engaging event that provides Data Science career insights for Rutgers undergraduate and graduate students. Don't miss this opportunity to learn about leveraging your Rutgers experience, data science career paths, preparing for employment and more! Networking and light refreshments will follow the formal program.

Data Science Roundtable participants include:

**Aaditya Nanduri**  
**Sven Serneels**  
**Yunlong Wang**  
**Drace Zhan**

Celgene, Data Scientist  
BASF Corporation, Data Science Sr. Manager  
IQVIA, Data Scientist, Advanced Analytics  
NYC Data Science Academy, Data Scientist
